Time well spent

This could go off the deep end and tell you my real thoughts of spending four years as a volunteer director on the Lake Region Board, to understand the working of Lake Region you must get to know the residents.

Many different ideas, different ways of doing and of course attitudes, all of that goes into the decisions that the board must make to keep the residents safe, healthy, and happy. Unfortunately this is not always the case.

The teamwork and camaraderie grow as time passes; I have found that you can certainly disagree on a subject but still be friends when the decision is done.

To maintain Lake Region, it takes a combined effort of the residents, BOD, the office staff and maintenance department.

I personally have been cussed at, called names, damage done to our car and thru all of this I hope that I have served Lake Region to the best of my ability.

Warren A. Law

Recently we received applications for running for the board of directors. I personally want to thank each person willing to step out of their comfort zone and serve their neighbors in this capacity.

Four years ago I decided to give back to the park in this manner. I have made more friends. I have learned about state, county and even federal laws. I have learned about sewer plants, water plants and storm sewer drains. I have laughed with others as we worked together.

I have reached a point where I would like to step down and let others move forward with new and fresh ideas. I am willing to stay involved in a transition phase to assure we pass on lessons learned.

What concerns me is the lack of people willing to do their share. Please begin thinking now about how you can contribute to making this a better place to live.

Thanks Roger

My experience working on the LRV Board of Directors has shown me that things don't just happen. Someone needs to take the initiative to get things started and follow up to make sure they get completed.

During my 3-year tenure, I have been able to meet a lot more of our friendly residents and hope that I have helped point our park in a positive direction.

I have thoroughly enjoyed working with the other members on the Board and wish them and our new Board members the best of luck in keeping Lake Region Village one of the best places to live in Sunny Florida!

It has been my pleasure working with Cindy and Sara in the office and also Raymond, Emanuel and Tony in our Maintenance Staff and of course Gabriel!

Thank you all for allowing me to participate in helping to run LRV! **Steve Taylor**

Veterans, Friends and Family

"Our mission is to honor and support the Veterans and Friends of Lake Region Village. We will provide information and assistance and a support network for all Veterans and Friends".

Our next meeting will be Wednesday, February 3 at 3:00 in the Clubhouse.

Membership drive is still in session. Please help and support us by joining our membership. Call Bill Mulvey or Gregg Palmer. Our Veteran's Group is still active in spite of the **Corona virus**.

Our trip to the Military Museum in Kissimmee is February 4. Cars leave front parking lot at 9:00 A.M. Anyone who has not signed up yet and is interested in going, contact Bill Mulvey at 863-353-5949. We will be stopping for lunch on the way back.

We are selling raffle tickets for a quilt which was donated by Leah Richards. For tickets, contact Bill Mulvey at 863-353-5949 or Gregg Palmer at 863-353-1898.
